| <p><b><u>English (Reading, Writing, Speaking and Listening)</u></b></p> <p>An English lesson will take place each day. A variety of activities including reading, writing and discussion based tasks will help the children to revise all of the concepts we have learned so far this year. In particular, children will be recapping over nouns, verbs, adverbs and adjectives. They will also be focusing on the four different types of sentences - statements, questions, commands and exclamations. The children will be doing some more work on their comprehension skills, including strengthening their inferencing.</p> <p>A weekly "Spelling, Punctuation And Grammar" (SPAG) lesson will take place with Mrs Elks. This will concentrate on more complex sentence structures.</p> | <p><b><u>Maths</u></b></p> <p>Children will be revising everything we have learned so far in readiness for our Puzzle Booklets (SATs). They will continue to start each lesson with a problem to solve. Children are being encouraged to draw pictures to help them to solve a problem. Maths terminology will be revised this half term for e.g. different words for add or take away.</p> <p>Areas that we will cover will include:-</p> <p>Place value<br/>Addition, subtraction, multiplication and division<br/>Missing number problems<br/>Shapes<br/>Time<br/>Measures<br/>fractions</p> | <p><b><u>Science</u></b></p> <p>In our Science lessons the children will be looking at famous UK athletes and thinking about the diet they have and the exercise they complete in order to train and make them fit and healthy. We will also be looking at the conditions a plant needs to thrive and children will be conducting an experiment to find out what these conditions are.</p> |
| <p><b><u>History</u></b></p> <p>Children will be learning about the History in their local area this term. In particular, the children will be learning about Sir Nigel Gresley and two of his most famous trains. The children will also be learning about The Great Fire of London.</p>  | <p><b><u>Summer term 5 2018</u></b></p> <p><b><u>Year 2</u></b></p> <p><b><u>"The UK"</u></b></p>   | <p><b><u>PE</u></b></p> <p>We will be taking part in multi sports on Monday with Progressive sports and Athletics/team games on Tuesday.</p>   |
| <p><b><u>Design Technology</u></b></p> <p>Children will be thinking about London Bridge in Design and Technology. They will be designing and creating their own bridges and thinking about how they can make them stronger. The children will also be thinking about where food comes from.</p>  | <p><b><u>Computing</u></b></p> <p>We will be finishing off our unit on taking photos, editing them and entering them into a collage app to display their photos.</p>  | <p><b><u>Music</u></b></p> <p>We will be learning some new songs and will be starting to learn to play the recorder! If you would like to bring your own recorder in we will need them on a Tuesday/ Wednesday. We have plenty of recorders in school if you do not have one.</p>  |
| <p><b><u>RE</u></b></p> <p>We will be looking at special places including our church and a Sikh Gurdwara which we will be visiting. We will also be learning about the Sikh religion and the 5 Ks.</p>   | <p><b><u>Worship</u></b></p> <p>In Worship we will be thinking about Respect, Generosity, Humility, Friendship, Sorting Problems and Stories from the Bible.</p>  | <p><b><u>Art</u></b></p> <p>We will be looking at the works of Lowry in our Art lessons. The children will be thinking about perspective and they will be creating their own version of Lowry's city painting.</p>   |
