Fundraiser for the Pre-School Building Fund

Newton Solney village Bonfire Night and Fireworks Display

Display takes place on Sat 4th Nov 2017.
Fireworks display at 18:00 and Bonfire lit at 18:30

Dear Parent/Carers,

Every year Newton Solney village organises a bonfire and fireworks display down by the river (via Trent Lane). This year they would like to make a donation to the Pre-School building fund which is extremely kind of them. They would like to invite all families to attend the event on Saturday 4th November. They have also asked if the children would like to make a guy for the bonfire. All the guys made will be put on to the bonfire before it is lit at 6.30pm (only if the child is happy about this!). There will be bonfire toffee and toffee apples for sale and perhaps even mulled wine and glow in the dark things to buy too. The whole event sounds great fun and a real family occasion. We are giving you plenty of notice so that perhaps you will be able to make a guy in the half term holiday. We look forward to seeing your “guys” – whether they burn or not is up to you!

Yours sincerely

Mrs. Heidi Elks.
Head Teacher.

P.S. We will open up the school car park on the night.
