16<sup>th</sup> October 2017

**Fundraiser for the Pre-School Building Fund**

**Newton Solney C of E Infant School and Pre-school Cook Book**

Dear Parent/Carers,

The fundraising committee for the Pre-School building fund have decided to put together a cook book of favourite recipes and we need your help. We would like every family/child to send in their favourite recipe, hand written or typed and decorated (pencil only as the book will be black and white) on a sheet of A4 paper, perhaps with a picture of the finished product. Please make sure the writing is as large as possible as the paper will then be shrunk so that we can fit 4 recipes to a page. Please put the children's first names on the recipe (no surnames). The recipes will be put together into a book and they will be sold in time for them to be bought for Christmas presents.

We will need to be putting the book together shortly after half term and so we would like your recipe in by Friday 3<sup>rd</sup> November.

We are hoping that everyone will take part and we are looking forward to trying out some new recipes.

Yours sincerely

Mrs. Heidi Elks.

Head Teacher.
