

Newton Solney Church of England Infant School
Primary School PE and Sport Funding 2019–2020

The PE and Sport Allocation is funding provided to schools in addition to main school funding. This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

The government is continuing to provide additional funding to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary school headteachers.

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

It is for schools to decide how the PE and Sport funding is spent, since they are best placed to assess what additional provision should be made to enhance the provision for PE in school. Schools will need to show progress in PE teaching and also progress in children’s abilities and interest in sports over the years and must be able to account for the money. From September 2013, this information must be published on the school website.

The table below shows how the funding is planned to be spent at Newton Solney in the academic year 2019–2020.

<u>PE and Sport Funding Expenditure</u> <u>2019–20</u>
To employ a sports coach for one afternoon session per week and also a half hour lunch time club and an hours after school club. Year 1 and Year 2 will have an hours PE lesson run by the coach. Teachers will attend the lessons to increase their own CPD opportunities. The lessons will focus on ball skills, gymnastics and games. The afterschool club will be multi sports.
Opportunities for all teaching staff to attend professional development/watch and work alongside the coaches.
To ensure all Forest School practitioners are up todate with their Forest School first Aid.
To enable Forest School practitioners to attend training.
To buy equipment for Forest Schools and to maintain the equipment we already have.
To buy new sports equipment that the coach recommends.
To develop our own school field for the use of Forest Schools.
