

## Pupil Premium Statement 2019/2020.

Newton Solney C of E Infant School receives a Pupil Premium Grant for each child who is entitled to receive Free School Meals, for any Looked After Children and for children who have received the Pupil Premium Grant in the last six years (Ever 6).

We are required to publish online information about how we have used the premium.

For the academic year 2019/20 we will receive £1,320 in Pupil Premium Funding per eligible child.

At Newton Solney, the governing body have decided that this grant should be spent to support the following:

- To ensure that the children who qualify for Pupil Premium have their needs clearly identified and their progress closely monitored through school
- For children entitled to Pupil Premium to attend school trips free of charge
- To enable the school to employ a full time teaching assistant in the Reception class who can then be released to support individual children
- To provide short-term intervention programmes

At Newton Solney we ensure that:

- Teaching and learning opportunities meet the needs of all of the pupils regardless of whether they are receiving Pupil Premium funding
- We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has identified as being in need of support
- Limited funding means that not all children receiving Pupil Premium funding will be in receipt of pupil premium interventions at any one time.

In previous years the main outcomes of this additional funding were as follows:

- In 2016, 2017, 2018 100% of the eligible pupils in Year 2 achieved Expected or Exceeding in Reading, Writing, Maths and GAPS
- In 2019 100% of the eligible pupils in Year 2 achieved Expected in Reading, Writing, Maths and GAPS
- Additional intervention support was also made available to a range of other underachieving or SEN pupils
- Attendance for children receiving Pupil Premium is consistently above National average
