"I can do all things through God, who gives me strength."

# Equality Information and Objectives Policy

## **Statement of Intent**

Newton Solney C of E (VA) Infant School is dedicated to ensuring that all members of the school community and the wider community are treated equally, fairly, and with respect by the school and by each other. This applies to the school as a place of education, a business, and an employer. Prejudice, discrimination, and victimisation are not tolerated, and we work hard to instil in our pupils a strong understanding of right and wrong, including the importance of inclusion, acceptance, and compassion towards others. The school's main priority is to provide the best education and care that we can, and establish a cooperative working relationship between home and school, so as to aid the development, progress, and needs of all the children in our care.

This plan sets out how the school will promote equality of opportunity regardless of race, gender, gender reassignment, disability, age, religion or belief, pregnancy, maternity, socio-economic backgrounds and sexual orientation, in both the delivery of its services and the employment of its staff.

## **Legal Framework**

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Human Rights Act 1998
- The Special Educational Needs and Disability Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010
- Equality Act 2010 (Specific Duties) Regulations 2011
- The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017
- Public Sector Equality Duty (PSED)
- Data Protection Act 2018
- The UK General Data Protection Regulation (GDPR)

This policy also has due regard for non-statutory guidance, including the following:

- DfE (2014) 'The Equality Act 2010 and schools'

This policy operates in conjunction with the following school policies:

- Equality Information and Objectives Statement
- Admissions Policy
- Complaints Procedures Policy
- Grievance Policy
- Data Protection Policy

- Pupil Equality, Equity, Diversity and Inclusion Policy
- Staff Equality, Equity, Diversity and Inclusion Policy

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The school fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows: • Age • Disability • Race, colour, nationality or ethnicity • Sex • Gender reassignment • Maternity and pregnancy • Religion and belief • Sexual orientation • Marriage and civil partnership

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the governing body.

The school's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils' communications and activities.

The school will promote equality of opportunity for all staff and job applicants and will work in line with the Staff Equality, Equity, Diversity and Inclusion Policy.

Through the creation of this equalities plan, we have been able to develop a better understanding of what the challenges to equality are within the school and how we can best deal with these. This policy will be reviewed *annually*, or any time there is an update or change to legislation race, gender, gender reassignment, disability, age, religion or belief, pregnancy, maternity, socio-economic backgrounds and sexual orientation, to ensure that it is being effectively implemented and remains focused and up to date on issues surrounding equality both within the school and nationally.

### **Roles and responsibilities**

Creating a school environment that promotes equality and denounces discrimination is a whole-school responsibility and requires all members of the school community to be actively involved in breaking down barriers to learning and barriers to social and emotional development that prejudice can create.

Individuals in the school are expected to take responsibility for supporting and promoting equality in school above and beyond the responsibilities listed below. *The Headteacher* has the day-to-day responsibility for coordinating the implementation of this scheme.

## The governing body

The governing body will:

- create and approve this policy with the help of the headteacher and ensure that it is adopted correctly throughout the school
- ensure the school complies with all equality legislation and that the school's equality objectives complement the *Every Child Matters* outcomes for children
- monitor and evaluate the effectiveness of the equalities plan annually and make any amendments to improve on the plan when and where necessary
- nominate a named governor to oversee the implementation of the equalities plan, monitor equality outcomes, and regularly report back to the rest of the governing body
- ensure that parents are informed of any incident related to this scheme which could directly affect their child
- report to parents, carers, and the wider community in appropriate accessible formats.
- ensure that the school's Admissions Policy does not discriminate in any way.
- ensure equal opportunities in its staff recruitment and promotion practices, professional development programmes and in membership of the governing board.

## The Headteacher

The headteacher, with the support of the rest of the staff team, will:

- promote the single equalities plan both within the school and externally to the rest of the community
- ensure that all staff are aware of their role and responsibilities regarding the promotion and delivery of equality in school
- report back to the governing body on how the plan is working and any amendments that they feel should be made, as well as feedback from staff, pupils and parents
- challenge inappropriate language and behaviour
- tackle bias and stereotyping
- take appropriate action where discrimination or victimisation occurs.
- ensure that all parents, visitors and contractors are aware of, and comply with, the provisions of this policy.
- address any reported incidents of harassment or bullying in line with DfE guidance.

## Staff

School staff will:

- engage with the school in eliminating any discrimination and act as a good example to pupils
- promote a positive working environment
- report back to their managers immediately on any incidents relating to discrimination or victimisation, either by staff, pupils, or any other member of the school community, so that these incidents can be reviewed and action taken where necessary.
- monitor pupils' progress and needs to ensure the appropriate support is in place.

- champion diversity and inclusion.

## **Pupils**

Pupils at the school will:

- work to promote the anti-bullying strategies outlined in the school's **behaviour and anti-bullying policy**

- work with the school to resolve any incident relating to discrimination or victimisation that their child is involved in
- respect and follow our equality policy when visiting the school.

## **Key groups at risk**

While the school recognises that any person or group of people can become victim to discrimination, victimisation or unfair treatment, people may be more at risk of becoming victims of inequality due to:

- **Disability - so that reasonable adjustments are made**
- **Ethnicity - so that different cultural backgrounds and experiences of prejudice are recognised**
- **Gender and gender reassignment - so that the different needs and experiences of girls and boys, and women and men, are recognised**
- **Religion, belief or faith background**
- **Socio-economic backgrounds**
- **Marriage or civil partnership**
- **Pregnancy or maternity**
- **Sexual identity**

You can find all the information about our school's SEN provision including our provision for inclusion in the school's **SEN policy** and the school's **accessibility plan**.

## Promoting equality and social awareness in school and within the local community

### **Community cohesion**

The school expects all of its students and staff to act respectfully towards members of the wider community that the school is part of.

### **Inclusion**

Promoting and practising inclusion in school lessons, around the school site, during all school activities and into the wider community is a key part of developing a positive attitude towards equality and people from different backgrounds. You can find more information regarding our provision for and policy on inclusion for SEND in the school's **SEND policy**.

### **Pupil voice**

Through our support of student voice we encourage our pupils to have confidence in voicing their opinions and taking responsibility for the world around them. It is important that we teach our children how to engage in mature social interactions and get along with a variety of different types of people. This is developed through student voice, by interactions between pupils from different year groups, pupils and staff, and pupils and the wider community.

### **Recruitment**

Newton Solney C of E (VA) Infant School is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status or sexual orientation. Newton Solney C of E (VA) Infant School acknowledges that unfair discrimination can arise on occasion and so will ensure that the equal opportunities policy outlined in this plan is the foundation for all its activities.

Where a candidate is known personally to a member of the selection panel it will be declared before shortlisting takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest and that equal opportunities principles are adhered to.

More information about our recruitment procedures can be found in the school **recruitment policy**.

### **Staff**

#### **Equal opportunities for staff**

As part of our commitment to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment, the school will ensure that:

- all staff appointments and promotions are made on the basis of merit and ability and in compliance with the law;
- staffing of the school reflects the diversity of our community wherever possible;

- as an employer we strive to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce;
- we respect the religious beliefs and practice of all staff, pupils and parents, and comply with reasonable requests relating to religious observance and practice;
- we ensure that all staff, including support and administrative staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

### **Staff discipline and suspension**

Newton Solney C of E(VA) Infant School is committed to ensuring that all school staff are treated fairly and consistently and this is held to account through our **staff discipline, conduct, and grievance policy**.

The education and wellbeing of our pupils is our main priority. Any member of staff who creates a barrier to learning for our pupils will be disciplined. The **school's staff appraisal policy** provides more information on how the school monitors staff performance. We hope that staff will feel confident to voice complaints and grievances in the confidential environment of the school and that they will trust the school to deal with their grievances fully, promptly, and fairly. The school puts great faith in all its employees, and hopes never to have to discipline anyone as a result of misconduct.

### **Behaviour, exclusions and attendance**

The school **behaviour policy** takes full account of the duties under the Equality Act. We make reasonable, appropriate and flexible adjustments for pupils with special educational needs and disabilities. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups, and will take action to address any concerns that arise in this area.

Read our school **attendance, behaviour and The DFE 'suspension and permanent exclusion guidance' document** for more information on the processes surrounding these topics.

### **The curriculum**

The curriculum offered at Newton Solney C of E (VA) Infant School encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. Equality and diversity is embedded as far as possible in all areas of the curriculum and pupils are given opportunities to explore prejudice and discrimination, and to positively explore protected characteristics, differences and similarities in relation to race/ethnicity, religion/belief, gender, disability.

We do this by: -

- Embedding our school Do Be Values which are on display all around school and regularly discussed
- Making children feel valued and good about themselves through the PSHE curriculum and Collective Worship
- Ensuring that children have equal access to learning
- Recognising the different learning styles of children, making appropriate provision within the curriculum to ensure each child receives the widest possible opportunity to develop their skills and abilities

- Regularly reviewing the teaching within each subject area as well as with the resources that are available to support this so that both the diversity of the school, local community and wider society as a whole are represented in this
- Avoiding stereotypes or derogatory images in the selection of books or other visual materials
- Celebrating a wide range of festivals from different religions
- Creating an environment of mutual respect and tolerance
- Helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable
- Ensuring that the curriculum offered is inclusive of children with special educational needs and children with disabilities
- Ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning

### **Addressing prejudice-related incidents**

The school is opposed to all forms of prejudice. The school will ensure that pupils and staff are aware of the impact of prejudice. The school will address any incidents immediately and, where appropriate, report them to the LA. Any reports of bullying and prejudice will be carefully monitored and dealt with accordingly. Training will be given to all staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

### **Complaints procedures**

The school aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides. The school will adhere to the Complaints Procedures Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Procedures Policy. The school works to develop good professional relationships between colleagues; however, the school understands that sometimes conflicts may arise. Through maintaining open communication, the school wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the school's Grievance Policy.

### **Monitoring and review**

This single equality plan will be reviewed annually by the governing body, unless there is specific reason for it to be reviewed earlier (for example an incident involving members of the school community or new legislation). Governors will review how effective it is in tackling discrimination, promoting access and participation, equality and good relationships between different groups, and that it does not disadvantage particular sections of the community. Governors will also review evidence that it is being put into practice in school by staff and pupils, and whether there is any need for extra training or development sessions across the whole school to ensure it is promoted and implemented as much as possible.

#### **Information will be gathered through:**

- identification of children and young people, parents, carers, staff and other users of the school representing the different protected characteristics. This helps us develop and monitor the

scheme. Comprehensive and sensitive efforts are made to collect accurate information and meet security of information requirements, in addition to our duty to secure accurate information relating to ethnicity and first language;

- pupil attainment and progress data relating to different groups;
- children's and young peoples' views, actively sought and incorporated in a way that values their contribution;
- information about how different groups access the whole curriculum.
- sports and activities choices of all groups;
- uptake of the extended school offer by group;
- exclusions data analysed by group;
- records of bullying and harassment on the grounds of any equality issue;
- data on the recruitment, development, and retention of employees;
- outcomes of activities promoting community engagement and community cohesion;
- outcomes of actions taken to secure the involvement of parents and others who have been identified as difficult to engage.

## **Equality Objectives**

At Newton Solney C of E (VA) Infant School we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers irrespective of race, gender, gender reassignment, disability, age, religion or belief, pregnancy, maternity, socio-economic backgrounds and sexual orientation.

In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following objectives:-

- To monitor and analyse pupil achievement in relation to their protected characteristics and act upon any trends or patterns in the data that require additional support for pupils.
- To raise levels of attainment in core subjects for vulnerable learners.
- To review levels of parental and pupil engagement in learning and school life, across all activities to ensure equality and fairness in access and engagement.
- To encourage a positive spirit of equality in all that we do.

## **Outcomes**

One of the most important indicators of how successful we are as a school in promoting equality and eliminating discrimination are the outcomes for various individuals and groups. Where robust analysis of outcomes reveals poorer outcomes for any particular groups, an impact assessment will be carried out and an action plan put in place to aid these outcomes. Action plans will outline:

- objectives and specific actions to be taken
- expected impact and indicators of achievement (success criteria)
- clear timescales
- who has lead responsibility
- resource implications
- specified dates for review.
