

Newton Solney Church of England (VA) Infant School

Primary School PE and Sport Funding 2025-2026

The PE and Sport Allocation is funding provided to schools in addition to main school funding. This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools. The government is continuing to provide additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

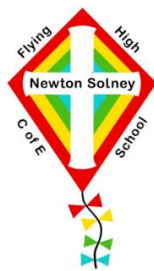

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

It is for schools to decide how the PE and Sport funding is spent, since they are best placed to assess what additional provision should be made to enhance the provision for PE in school. Schools will need to show progress in PE teaching and also progress in children's abilities and interest in sports over the years and must be able to account for the money. From September 2013, this information must be published on the school website.

Newton Solney will receive £16,244.

The table below shows how the funding is planned to be spent at Newton Solney in the academic year 2025-2026.

<u>PE and Sport Funding Expenditure</u> <u>2025-2026</u>	<u>Cost</u>
To employ a sports coach for one afternoon session per week and also one half hour lunch time club and an after school club. This will enable all children to access quality PE coaching. Year 1 and Year 2 will have an hour PE lesson run by the coach. Teaching Assistants will attend the lessons to increase their own CPD opportunities. The lessons will focus on ball skills, gymnastics, athletics and games. The afterschool club will be multi sports. SoccerstarsUK also run an afterschool club on a Thursday.	£5954.40
Year 1 and Year 2 children will attend Yoga lessons throughout the school year. Reception will join in during the summer term. This will enable all children to experience a fun, child orientated Yoga session which will also help with emotions and well being.	£2,941.20
To enable TAs to be present for every Forest school session to ensure adult/pupil ratio.	£2,349.36
To buy equipment for Forest School, PE and outdoor play and to maintain the equipment we already have.	£1567.04
To continue to develop our playground facilities.	
To employ a Playleader at lunch times to ensure children experience a variety of activities.	£3,432.00

Evaluation 2024 - 2025

Children at Newton Solney CofE (VA) Infant School are able to take part in a wide variety of activities, some provided by outside agencies and some by staff in school. We have been able to develop our Forest School provision. All classes continue to have access to regular sessions on the school Forest School field. The children take part in a progressing Forest School curriculum with all children accessing fire activities and using tools. All Year 1 and Year 2 children have had a PE lesson each week led by a SoccerstarsUK coach. They have taken part in the full Key Stage 1 curriculum including athletics, gymnastics, ball skills, group games and dance. A member of the teaching staff has been present at these sessions to watch, learn and take part. The children have gained in skills and confidence and are able to take these skills into their playground games. SoccerstarsUK held an after school multisport club twice a week which was well attended and pupils who receive Pupil Premium were offered one session for free. All children have taken part in Yoga sessions this year led by Yogabugs. Staff have attended the sessions and used the breathing techniques with the children back in class. Our Year 2 children took part in a sports festival led by St Wystans school and a football festival led by SoccerstarsUK. The children enjoyed a variety of sports and equipment we are not able to offer as a school. Children enjoy sports activities and many have been inspired to take up a sport outside school including football, swimming, tennis, dance, rugby and cricket. The children's out of school sporting activities/achievements are celebrated within school time during our weekly awards sessions.
