

## Newton Solney Church of England (VA) Infant School Admissions Policy 2026/2027

### Vision Statement

Newton Solney C of E (VA) Infant School is a friendly, caring and happy family, where children learn in a creative environment to reach their full potential within the love of Jesus.

*'I can do all things through God, who gives me strength.'*  
Philippians 4:13

The Governing Body is responsible for the admissions policy and decisions on applications for admissions of pupils to Newton Solney Church of England (VA) Infant School. All policies are reviewed annually. They are written to comply with the School Admissions Code and School Admissions Appeals Code.

The school admits 23 pupils to Reception each September. This Published Admission Number (PAN) has been agreed by Derbyshire County Council and the Governing Body and applies to the year 2026/27.

Admissions to other year groups will be based upon the prejudice to:

- a) The provision of education and
- b) The efficient use of resources.

The school does not have any specific units or facilities for pupils with particular special needs and there are no specific facilities for pupils with physical disabilities. The school is however on a level site, and all the accommodation is on one floor; there are also ramps at the main entrance and at the entrance to the playground. All classrooms may be entered without steps. As far as possible, the school will ensure that pupils with disabilities have access to the same opportunities as other pupils.

### Applying for a Place

The Local Authority (LA) operates an agreed co-ordinated admissions scheme in line with government legislation. The LA will manage the process on behalf of the school according to the scheme published each year. The LA, will allocate the available places in line with this policy.

The Governing Body co-operates with the LA's **Fair Access Protocol** for children who are hard to place and will admit these children even if the school is full.

All applications **must** be made on the LA's Common Application Form (CAF) available from the child's home LA (the authority in which the child resides).

The closing date for admission application forms to be received by the home LA is as advertised by that authority. This is usually 23:59 on 15<sup>th</sup> January 2026. Information on completing the 'on line' application and notification dates of admission decisions are published in the LA admissions booklet, which is also available from their website.

<https://www.derbyshire.gov.uk/education/schools/school-places/apply-for-a-school-place.aspx>

Parents will receive an admissions decision via email from the LA on or about 16<sup>th</sup> April 2026, according to the procedure set out in the LA's Composite Prospectus.

### **Late Applications**

Applications received after the deadline set by the LA will be considered after places have been allocated to those applications received on time, using the over-subscription criteria as for on time applications.

### **In-year Admissions**

Applications can be received at any time for places in any year group outside the normal admissions round. Application forms can be obtained from the LA website or school office and should be sent to the LA.

### **Waiting List**

In the event of more applications than available places the LA will maintain a waiting list. This list will be maintained until the 31<sup>st</sup> December. Applications will be positioned according to oversubscription criteria and the list will be reranked in line with these criteria after each child is added. If a place becomes available in Newton Solney Church of England (VA) Infant School it will be offered to the child at the top of the waiting list.

Parents/carers are requested to inform the LA termly if they wish to remain on the list and to inform the LA if they want to remove their child's name from the list.

### **Deferred Entry and Part Time Attendance**

The school provides for the admission of all successful applicants who have reached their 4<sup>th</sup> birthday by the beginning of September 2026. However, please note the following:

- (a) Parents offered a place may defer the date of their child's admission until later in the year, or until the child reaches compulsory school age. **Summer born children may only have admission deferred until the start of the summer term.**
- (b) Parents can request part-time attendance until the child reaches compulsory school age.
- (c) Where a parent of a **'summer-born' child (1 April – 31 August)** wishes their child to start school in the autumn term following their 5<sup>th</sup> birthday, the Governors will consider the request.
- (d) School will consider arrangements for Flexi-schooling on an individual basis.

If parents do not take up the offered place before the end of the academic year of entry, then they would have to re-apply for a place in Year 1

### **Admission of children outside of their normal age group.**

If parents wish such a child to be educated "out of year group" i.e. in the Reception Year rather than Year 1 they may request this and should discuss it with the school as soon as possible. Such applications will be considered by the Headteacher and Chair of Governors on a case-by-case basis. Each case will be judged on its individual merits but to admit out of year group would require exceptional and extenuating circumstances and professional evidence explaining why the child's needs cannot be met in the chronological year group.

All such parents should apply for their child's normal age group at the usual time and may submit a request for admission out of the normal age group at the same time.

The LA will respond to this request prior to the offer of a place being made. If the request is agreed to the application can be withdrawn for that year before the place is offered.

If the request is refused, parents may decide whether or not to accept the offer of a place for the normal age group or refuse it and make an in-year application for admission into Year 1 for the September following the child's 5<sup>th</sup> birthday.

Where a parent's request has been agreed, they **must** make a new application as part of the main admissions round the following year.

Parents do not have the right of appeal against a decision not to place the child in a year group outside their normal age group.

### **Oversubscription Criteria**

The Governors are required to admit a pupil with an Education, Health and Care plan which names Newton Solney Church of England (VA) Infant School.

The school is required to abide by the maximum limits for infant classes (Reception, Year 1, Year 2), ie 30 pupils per class teacher.

When there are more applications than there are places available, the Governors will admit pupils according to the following criteria in order of priority.

1. Children who are in public care (looked after children) or those who were previously looked after, including those who appear (to the Governing body) to have been in state care outside England, but have ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order. See notes 1,2 & 3 below.
2. Children living in the parishes of Newton Solney and Bretby (as defined by the LA). See Appendix 1.
3. Children who have siblings in the school at the time of admission. For the purpose of this policy a sibling is defined as the brother or sister, half-brother or half-sister, adopted brother or sister, child of the parent/carer or their partner or a child looked after or previously looked after and, in every case living permanently in a placement within the home as part of the family household from Monday to Friday at the time of admission. A sibling link will not be recognised for children living temporarily in the same house, for example a child who usually lives with one parent but has temporarily moved or a looked after child in a respite or very short term or bridging foster placement
4. Any other children

### **Tie-breaker**

If any category is over-subscribed the places will be determined in that category by the proximity of the front door of the child's permanent home address (Appendix 2) to the school's main entrance door, using the LA's computerised mapping system. Where two families live in the same block of flats the flat with the lower number will be given priority. Where two family's addresses are equidistant random allocation will be used and overseen by someone independent of the school.

## **Twins and multiple births**

Where a twin or multiple birth sibling has been offered the last available place then the other sibling(s) will be offered a place as this is a permitted exception to the infant class size rule.

## **Service personnel and crown servants**

Families of service personnel with a confirmed posting, or crown servants returning from overseas, will be allocated a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Where the family do not yet have an intended address, or do not yet live in the area, the school will use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Parents may request that a unit or quartering address be used as the child's home address when considering the application against their oversubscription criteria. The normal admissions round is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the CAF provided by their home LA.

## **False Information**

1. Where the Governing Body has made an offer of a place at Newton Solney Church of England (VA) Infant School on the basis of a fraudulent or intentionally misleading application from a parent which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending Newton Solney Church of England (VA) Infant School on the basis of fraudulent and intentionally misleading information the place may be withdrawn depending on the length of time that the child has been at the school.
3. Where a place or an offer has been withdrawn, the application will be re-considered, and a right of independent appeal offered if the place is refused.

## **Appeals**

In accordance with the Admissions Appeals Code, parents who have been refused a place for their child have a right to appeal to an independent panel. Parents wishing to appeal should obtain an appeal form from the Local Authority. This form is available online at [www.derbyshire.gov.uk/admissions](http://www.derbyshire.gov.uk/admissions) Or ring 01629 533190 to request a form. The form should be sent to reach the Clerk to the Appeal Panel within 20 school days of the date of the letter confirming the governors' decision not to offer a place.

Please note that a repeat application within the same academic year will not be considered unless there has been a significant change in circumstances.

### **Note 1: Looked after children and previously looked after children**

A "Looked After Child" is a child who is:

in the care of an LA, **or** being provided with accommodation by an LA in the exercise of their social services functions (section 22(1) of The Children Act 1989)

All children adopted from care who are of compulsory school age are eligible for admission under criterion 1. Children in the process of being placed for adoption are classified by law as children looked after providing there is a Placement Order and the application would be prioritised under Criterion 1.

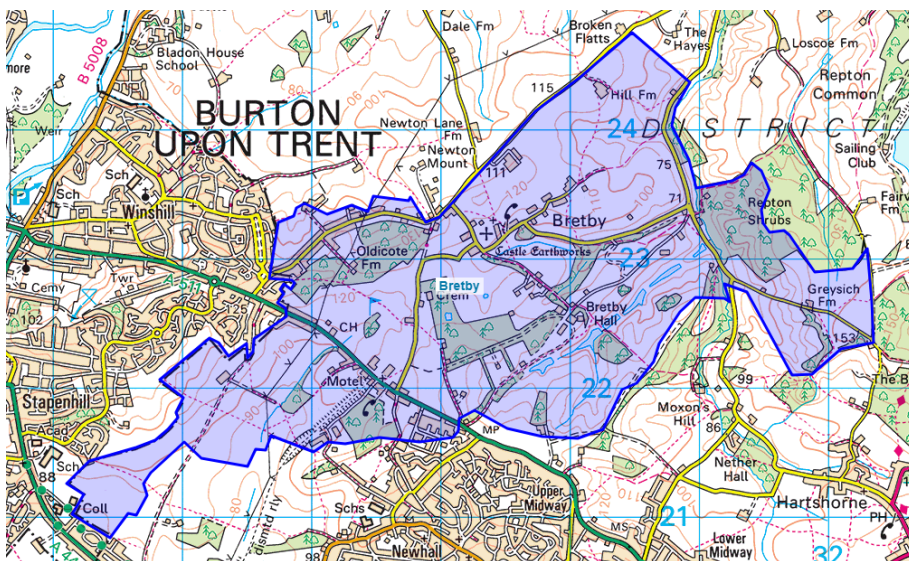

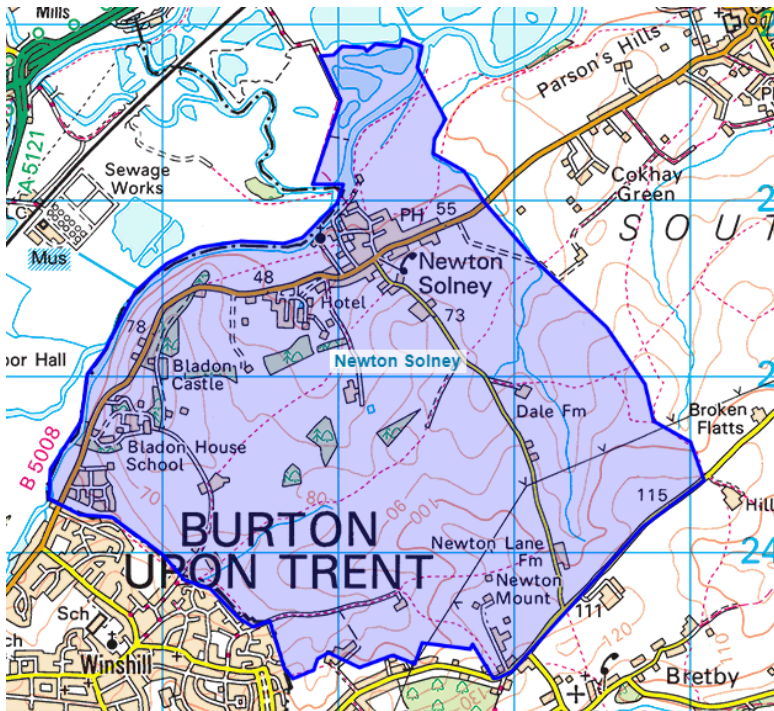

**Note 2: Children adopted but who appear (to the governors) to have been in state care outside England** The LA's "Virtual School Head" will be asked to verify all such applications. All applications are considered individually but a successful application should include the

following: Evidence that the child was previously cared for by the state outside England because he or she would not otherwise have been cared for adequately and has been subsequently adopted

**Note 3: Children who were not “looked after”** immediately before being adopted, or made the subject of a child arrangement order or special guardianship order, will not be prioritised under criterion 1. Adopted children must have been previously looked after by an English or Welsh local authority. Evidence needed – include a letter or document from your child’s social worker, advisory teacher or other professional as evidence.

Home address is defined as the child’s normal place of residence. In the case of shared parental responsibility, it is the address where the child is registered with their GP.
