

Jaide Meyrick

My connection with Newton Solney Infant School began as a pupil and I have been coming back ever since! My children both attended the school, with my youngest leaving in 2023. I was Chair of FoNSS from 2018 – 2023 and have been a Foundation Governor since 2020. My background is in Primary Education and I have taught the full primary age range, working in both state and independent schools.

Our family owns a tortoise, who is a yearly visitor to Forest School, and we have adopted some of the hens who were hatched at school over recent years. I am in school on Thursday mornings, helping the children to change library books, and Friday afternoons for Forest School. I am currently Chair of the Governing Board and a member of the Resources and Teaching and Learning committees.
