

Phillippa Owen

Hello, I'm Phillippa and I'm a Foundation Governor. I have 3 young children. My background is in education. I'm a primary school teacher and have also worked as family safeguarding support, a nursery manager and a childminder. My specialisms in teaching are the learning environment and attachment & emotional wellbeing. I love teaching RE creatively across the curriculum. I'm one of the people behind the scenes running the social media for school and I'm also part of FoNSS and the Pre-School Committee. I'm so happy to be a part of the Newton Solney Infant School community and proud to be a school Governor.
