

## The School Day

Morning session 09.00am - 12.00pm

Lunchtime 12.00pm - 13.00pm

Afternoon session 13.00pm - 15.10pm

Morning school begins at 09.00am and the children can arrive in the classrooms from 08.50am. There is a 15 minute morning break with a fresh fruit snack and a 10 minute break in the afternoon. This equates to 30 hours and 50 minutes in school per week. Our school day times are worked out to enable families to get older siblings to their schools.

All classes follow a timetable with special themed days during the year when the focus is on particular subject areas. Science, Numeracy, RE and Book day are regular features in school.
